

SEBA Crypto Asset Select Index

The SEBA Crypto Asset Select Index ('SEBAX') is a broad representation of the cryptocurrency market with an emphasis on tradability, safety and technical reliability.

Key Features

Strategy

The objective of SEBAX is to provide an investable index for the most secure, reliable and tradable crypto assets. The selection of the constituents is monitored on an ongoing basis. The index applies advanced techniques to reduce concentration into single constituents and to deliver enhanced diversification. More detailed rules can be found in the Index Guide.
